## THE VENUE

The 1<sup>st</sup> LR22 Precision Rifle World Championship will take place in Italy, precisely in Umbria, within TAV Piacardato area.

Located in the municipality of Gaglietole di Collazzone, in the province of Perugia, it is easily reachable by taking the exit Ripabianca-Foligno of the E45 Perugia-Orte motorway, and continuing eastward for 7 km.

TAV Piacardato's fixed shooting facilities offer possibilities of different disciplines: Sporting, Compak, Silhouette shooting, Country shooting, Universal pit, short-barreled weapon, precision shooting at different distances.

TAV Piacardato hosts several local, national and international competitions during the sports season. It covers an area of more than 20 hectares and is crossed by dirt roads that allow easy access to all areas.

Adjacent to the shooting ranges is the Piacardato Country House: a beautiful facility with restaurant, bar, pool, rooms and apartments, all set in an extraordinary natural environment.

## HOW TO REACH THE VENUE

The whole event takes place at TAV Piacardato and its surroundings.

TAV Piacardato - via Piacardato 73/B - 06050 Gaglietole di Collazzone (Perugia)

GPS Coordinates: 42° 56' 16.33" N - 12° 28' 36.41" E

### BY CAR

**Coming from the North as from the South** (either coming from the A1 highway with "Orte" exit, or the A14 highway with "Cesena Nord" exit), the better way to reach TAV Piacardato is taking the E45 motorway and exit at "Ripabianca-Foligno" (15 km south of Perugia), then continue towards Foligno along the SP415 and, after 7 km, take the second exit for Piacardato (it is the road facing the cemetery). After 1 km, you will arrive at the event venue.

**Coming from the East**, take the SS77 motorway from Civitanova Marche (or the SS76 motorway from Ancona) to Foligno, then take the SP415 until the first crossroad for Piacardato.

### BY PLANE

The reference airport is Perugia's "San Francesco d'Assisi Airport" located at Sant'Egidio village, near Perugia.

Ph. +39 075 592 141

## ON-SITE REGISTRATION

Upon arriving on-site, shooters must go to the info point for all information needed and where to go to pick up their personal PASS, which allows access to all areas of the event and shooting ranges during both practice and competitions.

## FACTORY

Participants in Factory category must go to the info point on the days and times specified in the program and perform a weapon check before the competition. A recognition will be placed on the firearm that cannot be removed for the entire duration of the competition.

## PROCEDURE FOR BRINGING FIREARMS INTO ITALY

All registered competitors will receive a specific invitation to the event with details that they must have with them upon arrival in Italy. Shooters from the European Union must have a “green certificate”, while details will be directly communicated to those coming from outside the EU.

## PRE-COMPETITION DAYS

During the days leading up to the competition, it will be possible to perform tests and training on specifically dedicated stage. Obviously, these will not be the stages of the competition, in addition they are located in areas different from those of the competition.

## COMPETITION

### ACCESS

In the waiting and shooting area of each stage, only the range officers and the active shooters at that time are allowed. Other people can watch from behind the safety line formed by barriers or mesh fences.

### STAGES

There will be 20 stages. The shooters will be divided into groups: each group will shoot one day on 10 stages and then have a rest day.

### AMMUNITION

Approximately 250 rounds will be fired during the competition. An armory is available at the shooting range where the following ammunition brands can be purchased:

- RWS R50
- RWS R100
- LAPUA CENTER-X
- RIFLE MATCH
- FIOCCHI OFFICIAL RAPID FIRE 280
- FIOCCHI TARGET SPORT
- LELLIER & BELLOT CLUB
- ELY CONTACT
- ELY FORCE

It is advisable to reserve the desired quantities because availability is limited. Please contact the organizers.

### COMPETITION DAYS

The opening ceremony will be held on Wednesday, August 30, while the competition will take place each day from August 31 to September 3.

### TRANSFERS BETWEEN STAGES

The farthest stage from the parking area is about 200 meters away. Participants can walk or take a dedicated shuttle; the transfer service begins 60 minutes before the start of the competition.

### COMPETITION BREAK

Every day, there will be a break of approximately 90 minutes in the central part of the day. It will be possible to eat at the self-service restaurant inside TAV Piancardato area.

## OPENING CEREMONY

The opening ceremony of the event, which all shooters must attend (national teams are recommended to arrive dressing their uniform and at the meeting point indicated on site), will be held in the city center of Deruta, ancient medieval town and “world capital” of ceramics (about 20 minutes’ drive from TAV Piacardato), starting from 5:00 pm. The participants will parade divided by nation and watch a performance.

At the end, they will receive the “RACE PACK” (distributed only to present shooters), which contains a series of gadgets and gifts for the participants.

At the end, a buffet dinner will be offered to all participants. During the ceremony and dinner, it will be possible to visit the Ceramic Museum of Deruta and the ancient remains of the 13th-century ovens.

## CLOSING CEREMONY

The awards ceremony will take place in the beautiful old village of Gaglietole (5 minutes from TAV Piacardato). All shooters and team members attending the ceremony will

then be invited to a dinner offered by the organization and the community of Gaglietole.
